Podcast & Recording

During this week of camp we will explore how to record different sounds, music and interviews. Children will produce, record and edit their very own podcast with the help of sound engineers and their professional equipment. Podcast will be uploaded to a secure site for friends and families to enjoy the creativity of our campers!

MOVE!

Spend the week learning about different games, sports and activities that are designed to get you outside and moving! Our counselors are excited to teach you a new game each day and take advantage of our outdoor spaces around The Plateau Club.

Jet's Gymnastics

Back by popular demand, this gymnastics camp transforms our fitness room into an amazing gymnastics studio with every piece of equipment budding gymnasts love to use. Trained JETS Gymnastics instructors will provide safe and well-rounded instruction in basic skills on bars, beam, vault, and tumbling mats. This camp is full of activity and fun!

Wacky Waterworks

Back every year by popular demand, campers will create water sponge bombs, enjoy water balloon toss games, learn basic swim skills, and play wiffle ball with swimming pool bases. Kids will enjoy special camp inflatables for daily pool use and will end the week with our huge inflatable water slide. Come prepared to get wet!

STEM Fundamentals with Lego Materials

Refine your construction skills as you tinker with Play-Well TEKnologies and tens of thousands of LEGO parts! Apply real-world concepts through projects such as: chugging Steamboats, customized Cuckoo clocks, and the historic Wright Flyer. Design and build as never before and explore your craziest ideas!

COVID-19 PROCEDURES

Pick-Up & Drop-Off

Pick up and drop off procedures will be as follows for the duration of Summer 2021; each parent or guardian will remain in their vehicle and verbally check in their camper. A staff member (counselor or receptionist) will be outside ready to assist the camper in exiting the vehicle, gathering their belongings and to take a temperature check. Parents are asked to remain in their vehicles and communicate any needs for the day to the check-in counselor. Drop off and pickup will be staggered: Group A will drop-off at 9:00am and pick-up at 3:00pm, Group B will drop-off at 9:15am and pick-up at 3:15pm.

Wellness Checks

A wellness check (including temperature check, and general signs of illness) will be conducted daily upon arrival (for staff and campers). Anyone presenting with any signs or symptoms of illness will be asked to return home and we will then implement the "in case of illness" procedure.

Small Groups

At the first day of each week of summer camp, campers will be assigned a small group that they will remain in for the duration of the week. Repeat campers will remain with the same counselor/group if feasible. These groups will; eat together, do activities together, have their own shared supplies (when individual supplies can't be provided) and have their own separate areas in the camp/fitness room. These groups will consist of 1 counselor and a maximum of 5 campers. Campers from the same household will be placed in the same group so please alert counselors of any sibling issues that may arise.

Activities

All activities will resume with the implementation of minimized shared materials, social distancing and remaining in small groups. Pool time will be limited due to the large demand of members and our limited capacity. Small groups will rotate through their open swim times (example: Group 1 will swim from 10:00-11:00am, Group 2 will swim from 11:30am-12:30pm, etc.)

COVID-19 PROCEDURES

Masks/Disinfecting

Masks will be worn by counselors and campers at all times indoors and when outdoors when social distancing cannot be maintained (masks will not be worn while swimming due to the difficulty of breathing through a wet mask). Gloves will be worn by counselors when distributing snacks and any materials used for activities.

Social Distancing

All activities have been adjusted to respect social distancing. Tables and chairs have been spaced accordingly to allow this as well. Please talk with your campers about respecting these boundaries, they will also be walked through how to maintain this space while at camp during their first day. Each camper will have their own cubby/bin assigned for the week for the personal belongings they bring with them to camp.

In Case of Illness (Staff or Camper)

In the case of illness at summer camp, the sick person will be isolated until further evaluation has been conducted. This can include: Health Department called for further evaluation and recommendations, parents/guardians being called for immediate pickup, or EMS services being called to evaluate. The camp will be suspended for at least one full day for disinfecting purposes. If at any point your camper, a family member or someone your family has been in contact with has any sign of illness, refrain from coming to camp.

FAQs

What should campers bring? Sunscreen, swim suit, goggles, change of clothes, sneakers, sports equipment (golf/tennis weeks), and a lunch (lunch can also be ordered from Splash Café).

What is the camper-to-counselor ratio? We have one counselor for every six campers. This ratio is maintained throughout all activities at summer camp.

Will my child have to take a swim test to swim during camp? Each camper will be administered the swim test on their first day of camp. They will be asked to swim 25 yards on their front without stopping and tread water for 30 seconds. This will allow them to swim anywhere in the pool. If they are unable to perform these skills, they will be required to wear a USCG approved flotation device and only swim in the shallow end of the lap pool.

What if I need to pick up my camper early? Communicate this during registration and notify the Camp Coordinator during drop-off or via email what time you'll be picking up your child. If someone other than the parent(s) will pick up the camper please indicate this, as well as list this person on the authorized pick-up list in the registration packet.

How do guests register and pay for camps? A parent of a guest camper must complete the Summer Camp registration form as well as the liability and medical release waiver. Completed forms and a check made out to The Plateau Club should then be turned in with the hosting members registration noted. A parent of a guest may also arrange with the hosting member to have the member's account charged for the camp and reimburse the member directly. One guest per camper is permitted at each camp except the four-day golf camps.

My child participated in lessons earlier in the year, do I need to fill out the medical release and liability waiver again?

No, we only need one copy of those forms filled out for any and all programs that take place at the Recreation Center. When you turn in your registration, a Recreation Center staff member will verify that we have those forms on file. There are specific Acknowledgment of Expectations forms for each program. Be sure to go over this with your child and return that along with your registration form.
