

**SWIM TEAM**

# **2023 INFORMATION PACKET**

25625 E Plateau Drive  
Sammamish, WA 98074

THE  
**PLATEAU CLUB**

## Team Philosophy

The Plateau Club Swim Team is committed to providing a well-rounded swim experience balancing community, sportsmanship, and overall enjoyment with high quality instruction, individual skill development, and a competitive team experience. The coaching staff will work with your athletes to improve their skills, develop racing techniques and build self-confidence.

## Communication/ Contact Information

It is important not to disturb the coaches during practice as the practice time is limited and they are working to provide as much input to the athletes as possible. Coaches move on promptly from one group's practice session to the next, so their communication time during practice is very limited. If you have questions about your swimmer's swim development, meet strategy, or anything related to your swimmer in the water, please email the Head Coach at [pcswimteam@plateauclub.com](mailto:pcswimteam@plateauclub.com). **If you are going to be late or absent to a meet that your swimmer is scheduled to attend, you must email ASAP.**

*Coach Email:* [pcswimteam@plateauclub.com](mailto:pcswimteam@plateauclub.com)

*Program Manager Email:* [Christopherw@plateauclub.com](mailto:Christopherw@plateauclub.com)

The coaches and parent coordinator communicate frequently with families through weekly email bulletins. **Please be sure to provide an active e-mail account on your registration form.**

## New Swimmer Assessments

.....

For brand new swimmers and any returning little swimmers interested in being on the team, an appointment must be made at the recreation center for a skills assessment. Assessments take about 10 minutes and will take place on April 23, 29, 30 during open swim hours. All new swimmers will be notified

---

of their results and team eligibility upon assessment. If a swimmer does not qualify for little swimmers or swim team, a recommendation of group swim lessons will be made. The minimum qualifier to be considered as a competitive team member is to be able to successfully complete both the freestyle and backstroke legally.

## Little Swimmers

---

The Little Swimmer program is designed for children in the 5-8 age group who are not yet ready for a full summer of competitive swimming. Swimmers must be eager and able to swim a 25 freestyle with ease and a 25 backstroke with effort. Little swimmers attend the first four weeks of practice and participate in the swim team time trials on June 10. Little Swimmer practices will conclude on June 8<sup>th</sup>. Each Little Swimmer will be evaluated at the end of the session to determine if they have progressed to be promoted to the competitive team. Participating in Little Swimmers allows children to have a positive and encouraging first swim team experience. Little Swimmers are welcome to take part in all swim team activities and social events.

## Registration Information

---

Registration must be submitted by 7:00pm on Friday, May 12 to avoid a late fee. After this time, a \$50 per family late fee will be applied in addition to the regular cost of swim team. The absolute last day to register is Friday, May 26. All swimmers must be registered and have completed all the Midlakes league forms (*Reference bottom pages*). Swim team members must be Plateau Club MEMBERS. If swimmers are not Full or Recreation club members, they can join with a Swim Team Affiliate membership for just the swim team season. This membership gives each swimmer access to all practices and meets. Cost for each "Swim Team Affiliate membership" is \$675.00 per swimmer and a Swim Team Only Membership Application MUST be filled out and completed along with the league Registration. (Link to Swim Team Only Membership Application) *For more information and access to the Swim Team Only membership application, please contact Recreation Manager Christopher Williams at christopherw@plateauclub.com*

## Parent Involvement

---

In the Midlakes Swim League, meets are successful with the generous help of our parent volunteers. Swim meets are run entirely by volunteers and therefore family volunteer participation is a requirement. If we do not receive enough volunteers we may have to cancel the meet. A minimum of 25 volunteers is required to run each home meet and 15 are required per away meet. Each family must provide a **minimum of five volunteer commitments** this season. In the event your family does not fulfill the minimum volunteer requirement, your account will be charged \$100 per missed commitment.

## Parent Volunteer Opportunities

---

All volunteer sign-ups are done through the Team Unify website. Sign-ups will open two weeks before the meet and stay open until every volunteer positions is filled. **If you cannot make your volunteer shift you must contact the parent coordinator.**

**Timers:** Home meets require 12, away meets require 8 - 12

**Stroke/turn judge:** Home and away, require 2 per meet

**Relay judge:** Home and away, require 2 per meet

**Starter/referee:** Home meets only, require 1 per meet

**Announcer:** Home meets only, require 1 per meet

**Data entry:** Home meets only, require 2 per meet

**Ribbons:** Home meets only, require 1 per meet

**Heat winner distribution:** Home meets only, require 2 per meet

## Parent Meeting

---

Please join us May 8<sup>th</sup> 5pm for a parents-only meeting, for new and returning members, with our coaching staff and parent coordinators via Zoom. Information to be sent out to registered swimmers after parent meeting.

## Cancellation Policy

---

In the event that your child is unable to participate in swim team, refunds will be given according to the following cancellation deadlines:

	Full Refund	75% Refund	50% Refund	No Refund
Deadline to Drop	May 19	May 26	May 31	After May 31

*\*To discontinue participation in swim team, contact our Program Manager, Christopher Williams*

## Swim Meet Registration

Athlete registration for **ALL** meets is required with either a positive or negative response. This information is entered on the team website. This is a very important part of making sure that the best team lineup for each meet can be made. Registration will close on Sunday night for Tuesday meets, and Tuesday night for Thursday meets. **If you register for a meet and have to cancel after the registration deadline please contact Head Coach at [pcswimteam@plateauclub.com](mailto:pcswimteam@plateauclub.com) immediately.**

## Home/ Away Meet Times

On home swim meet days, swimmers must arrive no later than 4:30PM and warm-ups will begin at 4:45PM with the meet starting promptly at 6:00PM. On away swim meet days, swimmers must arrive no later than 4:45PM and warm-ups will begin at 5:15PM with the meet starting promptly at 6:00PM.

## Swim Meet Lineups

The coaching staff works with all swimmers to gain the necessary skills to compete in every stroke successfully. The goal is to have all swimmers participate in every event at least once throughout the season. Depending on the number of swimmers registered for each meet and the pool size, the coaches work to make a lineup that is competitive but also gives each athlete the maximum number of swims including both individual and relay events. We try to not swim an athlete in the same events every week in order to give them the opportunity to improve in all events. This means that they may not always be entered in their best event, but be assured this is in the best interest of the swimmer and the Team. Swimmers are strongly encouraged to attend as many meets as possible to allow for relays to be built and for swimmers to gain as much experience as possible with every stroke.

## Private Swim Lessons

---

Additional stroke refinement can be accomplished through private lessons. You can schedule private swim lessons with a coach through the Team Unify website. Lessons will be billed to your member account.

Lesson cancellations less than 24 hours in advance will be billed at 50% of the lesson cost Lesson no shows will be billed at 100% of the lesson cost.

## Concussion Information Sheet

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

### Symptoms may include one or more of the following:

<ul style="list-style-type: none"><li>✓ Headaches</li><li>✓ “Pressure in head”</li><li>✓ Nausea or vomiting</li><li>✓ Neck pain</li><li>✓ Balance problems or dizziness</li><li>✓ Blurred, double, or fuzzy vision</li><li>✓ Sensitivity to light or noise</li><li>✓ Feeling sluggish or slowed down</li><li>✓ Feeling foggy or groggy</li><li>✓ Drowsiness</li><li>✓ Change in sleep patterns</li></ul>	<ul style="list-style-type: none"><li>✓ Amnesia</li><li>✓ “Don’t feel right”</li><li>✓ Fatigue or low energy</li><li>✓ Sadness</li><li>✓ Nervousness or anxiety</li><li>✓ Irritability</li><li>✓ More emotional</li><li>✓ Confusion</li><li>✓ Concentration or memory problems</li><li>✓ Repeating the same question/comment</li></ul>

### What can happen if my child keeps on playing with a concussion or returns too soon?

Adapted from the CDC and the 3rd International Conference on  
Concussion in Sport Document created 9/15/2009

Athletes with the signs and symptoms of concussion must be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescent or teenage athlete will often under report symptoms of injuries. And concussions are no different. As a result, education of administrators, coaches, parents and athletes is the key for athlete safety.

### **If you think your child has suffered a concussion**

Any athlete even suspected of suffering a concussion must be removed from the meet or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. The new "Zackery Lystedt Law" in Washington now requires the consistent and uniform implementation of long and well-established return to play concussion guidelines that have been recommended for several years:

"a youth athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time" and

"...may not return to play until the athlete is evaluated by a licensed health care provider trained in the evaluation and management of concussion and received written clearance to return to play from that health care provider".

You should also inform your child's coach if you think that your child may have a concussion Remember its better to miss one meet or practice than miss the whole season. And when in doubt, the athlete sits out.

For current and up-to-date information on concussions you can go to:

<http://www.cdc.gov/ConcussionInYouthSports/>

This form must be signed and dated by BOTH athlete and parent or guardian BEFORE the athlete can participate in practice or competition.
