

THE PLATEAU

JANUARY | 2024

THE
PLATEAU CLUB

A golf flag on a green with a maroon logo. The flag is white with a maroon border and a maroon logo in the center. The logo appears to be a stylized animal, possibly a deer or a similar creature, facing right. The flag is attached to a white pole with a black ball at the top. The background is a blurred green field.

FROM THE GENERAL MANAGER

The Plateau Team enters 2024 with great enthusiasm and excitement! This year promises to be amazing, filled with exciting opportunities for growth, camaraderie, and shared experiences.

In the spirit of continuous improvement and a commitment to providing you with an exceptional member experience, I am thrilled to share our vision for the year ahead. Our primary focus will be on enhancing and expanding the social aspects of the club, our grill & dining outlets, and the activities/ events within the club. We aim to create a dynamic and inviting environment that fosters connections and lifelong memories.

To guide us in 2024 and beyond, I am introducing our Driving Force, our Strategic Priorities, and our Foundation which will serve as benchmarks for our club's growth and success:

Our Driving Force

To be the ultimate social club, where relationships are forged and given the opportunity to grow.

Our Strategic Priorities

1. **Premiumization & Optimization:** Use resources wisely to create the highest quality facility and experience possible.
2. **Member Experience:** Provide experiences that nurture a social culture and give value to the membership.
3. **Talent Management:** Focus on getting the right people in the right places and providing them with the resources and developmental opportunities necessary to be successful.
4. **Service Excellence:** Challenge and push the team for continued improvement in the quality of service through training and evaluation.

Our Foundation

People | Communication | Facilities | Financial Discipline

As we roll into 2024, I encourage your active participation and feedback. Your insights are invaluable in shaping the direction of our club and ensuring that it continues to be a place where memories are made and friendships flourish.

Greg Tubbesing
General Manager

Golf

KEEPER OF THE GREENS

With winter upon us, the turf is in winter mode, allowing the team to work on a few other projects we need to complete. We continue working on irrigation projects, fixing bunker liners, and clearing alders/ tree pruning around the golf course.

We have added new quick couplers to a few tee boxes for summer hand watering. When we hit mid-summer, some areas on the golf course require a bit more water during this stress period, and the new quick couplers will help with that. This will be in addition to what we already have out there. The new quick couplers will improve playability in that area and improve turf conditions during hot, long stretches during the summer months. We have also been working on raising irrigation heads to improve the irrigation uniformity and distribution on the hole.

During December, we started edging the cart's paths as well. We have 5.6 miles of cart path to cut and clean. The team has also been working on fixing some of the ragged bunker liner, which has been pulled up and constantly needs to be reburied over time. During this process, we have pulled back the sand in these areas, cut out the old tattered liner, and replaced it with a new patch, and then put the sand back over the top.

For the past two months, the team has been working on cutting down the brush and trees in all of the forced carries and pond banks. This process has gone a lot smoother this year than it ever has due to the company we hired last fall to cut and mow the forced carries and pond banks. In addition, we have started to prune up the undergrowth of trees next to the cart path and in the rough to make some shots in the rough easier and make it easier to travel along the path. I'm very pleased with the work the team has done so far on these projects.

Jon Frederick
Superintendent

WORDS FROM THE SHOP

Welcome to 2024. The golf shop has been working on some golf events for the offseason to keep your competitive game sharp. We have our first golf shop event on Saturday, January 20th. This will be a 2-Person Scramble. Your partner can be another member or a guest of yours who has an active GHIN handicap. Choose any tee time between 8am-12pm and see how low your team can go.

We have two more golf shop events coming up in February. The first one is our annual “Super Bowl” tournament. That event takes place on Sunday, February 3rd with tee times between 8am-12pm. This is the Sunday before the actual Super Bowl. We added a second golf shop event on Saturday, February 24th. This is a 1-Person Scramble “with a twist”. More information will follow regarding our two February tournaments, so be on the lookout for emails from me with all the essential information.

We are actively searching for a new Assistant Golf Professional. Replacing David and Tori will be difficult, but I am confident that we will find someone who will fit in with our culture of family and friendships here at The Plateau Club. I will keep you posted when we have found the right person.

I hope your holiday season was special for your family, and we look forward to a great 2024 golf season!

NOTES FROM RECREATION

Hello members!

Thank you for being so patient with the pool this year. We're currently in the process of replacing the heater to make the pool operational again. This process may take a couple of months. Consequently, the pool will not be available until the heater replacement is completed, likely at the end of February.

As we welcome the New Year and many people set new resolutions, I'm excited to announce a new addition to the gym at the RecCenter. We now have a brand new Precor SCL 835 Stair Climber added to the mix. Come on down and get your workout on!

Please remember to sign in as you use the facility. If you have guests (friends, workout buddies, trainers, etc.), ensure that you sign them in as well. Additionally, tennis and pickleball players must check in at the recreation reception desk before their scheduled or walk-on court time. Regular guest fees apply in all cases. Thank you!

Christopher Williams
Recreation Center Manager
