

THE PLATEAU

FEBRUARY | 2024

THE
PLATEAU CLUB

Cocktail: KIR ROYAL

A golf flag on a green with a maroon logo. The flag is white with a maroon border and a maroon logo in the center. The logo appears to be a stylized animal, possibly a deer or a similar creature, facing right. The flag is attached to a white pole that is stuck into the grass. The background is a blurred green field.

FROM THE GENERAL MANAGER

As we continue into this new year, our commitment to creating an elevated experience for our members remains a constant, and I am excited about the direction we are headed in.

Communication: Over the past couple of months, we have strongly emphasized improving communication channels with the membership. I am delighted to report that the number of club emails the membership receives continues to rise. We have also recently implemented an outbound texting program to send news and reminders in a different format. Whether through our weekly emails, the newsletter, on social media, or via text, I will continue to keep member communication a primary focus. If you hear of any members who haven't been receiving recent communications, please have them reach out to me directly so I can ensure their current contact information is in our system.

Member Programming and Kid's Club: In response to your feedback, I am excited to continue reinvigorating our member programming. We aim to provide a wide array of activities and events that cater to every family member. From engaging adult events like our Whiskey, Wine & Cigar Night to more family-friendly nights like the Family Putt-Putt coming up, we are committed to enhancing the overall club experience for your entire family. We are also excited to bring back the Kid's Club during our more adult-focused nights. This will be an opportunity for you all to drop the kids off in the Fairway Suite (we ask they are potty trained), where they will be supervised while you enjoy the evening.

Weekly Dining Schedule and Catering Menu: Shortly, we will be rolling out some regular dining nights in the Grill & Lounge. I am working with our culinary team, led by Chef Thomas, to create a weekly dining schedule that best reflects the feedback we have received from you all. I am also thrilled to share that Chef is developing a brand-new catering menu to elevate your special events and celebrations. From casual dining nights to gourmet experiences, our goal is to make every meal at the Club memorable.

I am genuinely excited about the positive changes that have occurred thus far. Admittedly, there is still much work to be done, and we will continue to strive to raise the level of the member experience at the Club. I look forward to sharing continued enhancements with you in the coming months.

Thank you all for being an essential part of this community. If you have any questions or suggestions, please do not hesitate to reach out to me directly.

Greg Tubbesing
General Manager

An aerial photograph of a golf course. In the foreground, a large, vibrant green fairway curves through a dense forest of tall evergreen and deciduous trees. Three distinct sand traps are visible on the fairway. A paved path runs along the right edge of the green. In the background, a small body of water is nestled among the trees, and distant, hazy mountains rise under a cloudy sky. The word "Golf" is written in a white, elegant script font across the upper middle of the image.

Golf

KEEPER OF THE GREENS

I am sure many of you have noticed the daylight is getting longer, and it's still light out well after 5:00 pm. This is good news, as we are on our way to summer. The turf department is moving along nicely on our winter projects list. Cleaning the golf course after multiple wind storms in January has slowed us down a little, but we should catch up soon.

Over the past month, we have added new patches of bunker liner to the bunkers in spots where we have issues with the liner being exposed. This involved finding the ripped sections, raking and shoveling all the sand out from the area, stapling a new piece of liner, and burying the liner with sand to an adequate level. We have created a new hard edge on a few bunkers where the bunker has started to lose its shape from the original construction.

During February, we are planning to weed and add new mulch to the landscape beds in the parking lot and around the rec center and clubhouse.

Jon Frederick
Superintendent

WORDS FROM THE SHOP

The days are getting longer, which means more time to get out and play golf. We are excited to start to see our 2024 products arrive in February. Regarding equipment, we will bring more demo products than in previous years, so you can try them out and figure out your perfect new clubs.

We will have demos of the new line of Callaway's Paradym Ai Smoke woods and hybrids, along with TaylorMade's Qi10 woods and hybrids. In terms of wedges, we will have demo wedges from Callaway, TaylorMade and Titleist. We are also bringing in the complete line of the new Odyssey Ai-One line of putters to demo. Feel free to try any or all of the new equipment on the course, range, and practice greens.

Speaking of new clubs for 2024, we have lined up fitting days throughout the spring and summer with TaylorMade and Callaway. Our first fitting day is with TaylorMade, and that is taking place on Friday, February 23rd from 11am-3pm. This is the same day as the PMGA/PWGA kickoff party, which starts at 6pm that night. Take a half day from work, get fit for the 2024 products, play a little golf, and then head to the clubhouse for the party that evening. This event is open to all current and prospective PMGA/PWGA members, so if you know anyone considering joining, bring them. Spouses are also more than welcome.

This is your opportunity to reconnect with fellow golfers, play a few fun games, enjoy a drink (or two), and win valuable golf prizes! Also, MAJOR EVENTS SIGN-UPS. We are getting an early start this year and want people to start thinking about the majors. Contact me at andrews@plateauclub.com to RSVP for any of the above events or any questions.

NOTES FROM RECREATION

The Summer Camp Packets are currently in progress and are expected to be ready at the end of the month. You can inquire at the Rec Center for more details or visit Plateau's website to download the packet once it's available. As for the upcoming Swim Team, the packets are nearing completion, and we will send updates out as more information becomes available. Feel free to review the current information, keeping in mind that details change slightly from year to year. Keep an eye out for the registration letter emailed to returning swim team families of the 2023 season in March, with swim team registration beginning on April 2.

Pool Heater Update:

Thank you for understanding the pool situation during these past few months. We're actively upgrading the heater to ensure the pool is functioning properly. The new heater has been installed, and we've begun bringing the system back online. Given the extended downtime, we'll conduct an in-service session for our lifeguards to prioritize our members' safety. We anticipate that Open Swims will resume on weekends around mid-February, and morning lap swimmers may start the first full week of February. We appreciate your patience and look forward to providing you with an enhanced swimming experience. If you have any further questions or concerns, feel free to call the Rec Center at 425.868.2139

Friendly Reminder for Facility Users:

Please remember to sign in when using the facility. If you have guests, whether friends, workout buddies, or trainers, sign them in as well. Additionally, tennis and pickleball players must check in at the recreation reception desk before their scheduled or walk-on court time. Regular guest fees apply in all cases. I appreciate your cooperation!

Christopher Williams
Recreation Center Manager

DRESS CODE

GOLF COURSE

Acceptable attire for men and male children 5 and older:

- Collared shirts with sleeves or golf course appropriate mock neck shirts, jackets & pullovers
- Golf appropriate slacks. Golf appropriate shorts no shorter than 4" above the knee
