# A LETTER FROM GREG

---

I am so excited for fall! This time of year brings new energy to the club as we expand our social activity calendar, ensuring that we continue to provide value to your membership even in the cooler months. October kicks off some truly exciting happenings around the club, and we can't wait to share them with you.

To start, Chef Peter's new menu in the Red Alder Lounge will debut on October 6th. He has taken your feedback to heart while creating this menu, and I believe you all are going to love it! The 6th also marks the return of Wine Wednesday and the introduction of two new dining nights: Pasta Night on Fridays and a 3-course dinner on Saturdays. These new offerings will provide even more variety for your dining experiences at the club.

We have worked hard to create an event calendar that remains packed with fun opportunities. We have the Couple's Championship on October 6th, followed by the 4-person Tailgate Scramble on the 20th. For a night of laughter, join us on the 13th when TJ Mulrooney, "The Golf Comic," performs live at the club with a dinner buffet included. Also, our Winemaker's Dinner Series continues on the 18th, featuring Lachini Vineyards this month—a perfect event for wine lovers.

And of course, it's spooky season! Get in the Halloween spirit with our Pumpkin Carving event on the 19th and the annual Haunted Hallows Party on the 26th. These events are always a highlight, so mark your calendars.

We are continually focused on improving the club, and I'm pleased to report that our resident handyman, Craig Allen, has completed painting the Women's locker room and the downstairs hallway. We will refresh both locker rooms in the coming months to ensure they remain comfortable and welcoming for all members.

Lastly, I am thrilled to announce that we have completed the patio waterproofing project! I know this has been a lengthy process, and I genuinely appreciate your patience and understanding throughout.

Let's roll into fall with excitement and fun! I look forward to seeing you all around the club soon.

An aerial photograph of a golf course hole. The hole is a large, circular green area with a central green and a surrounding fairway. Two sand traps are visible: one at the top and one at the bottom left. A river flows along the top and right edges of the hole. The word "GOLF" is written in white, serif capital letters across the center of the hole. A small figure of a person is visible on the green.

# WORDS FROM THE SHOP

---

As we move into fall, I'd like to take a moment to reflect on what a fantastic month we've had and to look ahead at the exciting events still to come. The weather has been great, and the course has been in fantastic condition. As we prepare for fall aerification, expect a speedy recovery—and still some great days ahead.

September was packed with exciting events. First, a huge congratulations to our PWGA Member-Member champions, Meaghan Rodgers and Cathy Cangiano! Our net champions, Angie Harbaugh and Alissa Pires, also put in stellar performances—great playing all around!

We also crowned our Club Champions! Congratulations to Liz Thomas, our PWGA Champion, and Sarah Cooper, our Net Champion. On the PMGA side, we witnessed thrilling golf with two exciting playoffs. TJ Hubbard claimed the Gross title after a 4-hole sudden death playoff against Jon Sauer. Greg Sinn won the Net division, taking his playoff against Tejas Karmarkar on the first hole. Incredible performances.

Another highlight was the Heaven & Hell event, which featured a unique and fun course setup. Thank you to everyone who participated!

Looking ahead, we've got even more events on the horizon, including the Tailgate Scramble and the Couple's Championship. We encourage all members to come out, enjoy the fall weather, and join in on the fun.

Thanks again for making this season one to remember. We look forward to seeing you out at the Club.

# KEEPER OF THE GREENS

---

During the last week of September, the Turf Department completed the aerification of the greens and incorporated 64 tons of sand into the soil profile. Aerification alleviates compaction, improves water infiltration, enhances the soil's capacity for oxygen exchange, and reduces the accumulation of organic matter. The greens will recover quickly and should be rolling smoothly in the near future. Later that week, we also aerified and sanded the approaches.

We plan to aerify and top-dress the tee boxes during the first week of October. Additionally, in the early weeks of October, we will complete the aerification of the fairways. As of now, approximately half of the fairways were aerated during the last two weeks of September.

As we transition into the fall season, we want to remind everyone of the importance of adhering to cart path restrictions. While walking from the path to your ball can sometimes be inconvenient, staying on the designated paths helps prevent unnecessary damage to the rough and fairways. My team and I are following the same rule to preserve the course's condition.

**We have a few things to look forward to this month:**

We will open at 10:00 a.m. every Sunday throughout the NFL season, so watch NFL Sunday Ticket with us and enjoy \$20 Buckets of Beer and our special Game Day Menu.

We are very excited for the launch of our new menu in the Red Alder Lounge! Chef Peter has been hard at work curating an exciting new menu which we will launch on Sunday October 6th along with a new wine menu.

October also marks the launch of our Fall Dining Nights and the club! We will be bringing back Wine Wednesdays (50% off bottles of wine \$100 and less), keeping the beloved \$12 Burger Night on Thursday, and adding two new nights on Fridays and Saturdays!

On Fridays, please join us for Pasta Night! For \$30, you will build your own all-you-can-eat pasta dish, which will be accompanied by soup or salad.

## Pool

With the return of the Issaquah Swim Team, the Rec Center Pool will remain open year-round, offering open swim on weekends during reduced off-season hours. As fall settles in, open swim will continue on weekends from 12 PM to 4 PM. Morning lap swim, except for Saturday mornings, will remain available during the week. Lap swimmers are also welcome to use the pool during open swim hours.

The Plateau Rec Center will begin winterizing in October, and the baby pool and spa will be closed for the remainder of the off-season. To help maintain a clean pool, please take a cleansing shower before entering the water. This helps remove oils and dirt from your skin, improving pool upkeep and reducing potential skin irritation from chlorine.

## Showers

The boiler for the Rec Center showers is currently down but is in the process of being repaired. Our vendor has assessed the issue and ordered the necessary parts for the fix. Once the parts arrive, a service appointment will be scheduled. We anticipate that the showers will be back to normal by the first week of October, or hopefully sooner.

## Tennis Courts and Gym

Friendly Reminder: Please remember to sign in when using the gym. If you have guests, workout buddies, or trainers, be sure to register them as your guest. Also, kindly wipe down the equipment after use to keep things clean for others.

The Rec Center team will continue working to keep the gym clean and organized, but we appreciate your help in returning equipment to its proper place after use. This helps maintain the workout area's tidiness. Tennis and pickleball players are required to check in at the reception desk before their scheduled or walk-on court times. Regular guest fees apply. Thank you for your cooperation!

Looking for players? Download the TeamReach app to join the fun! Some members have started using this app to connect with others for friendly games.
