WORDS FROM THE SHOP

As we spring into the new year, it's the perfect time to reflect on an incredible season in 2024. It's hard to believe I've only been here five months—this community has been so welcoming that it feels like much longer. Thank you to everyone for making me feel at home.

I have and will continue to take your much appreciated feedback to heart. I am putting plans together to better the member experience on the golf operations side of things and there will be a heavy emphasis placed on improving the service our members and their guests receive on a day-to-day basis. I am beyond excited for what 2025 will bring.

Looking Ahead to 2025

We're already hard at work planning an exciting year ahead! Our programming focus for 2025 will include:

- **More clinics and lessons** to help improve your game.
- **Numerous fitting days** to ensure your equipment is just right.
- **Golf Shop-run member events** to bring the community together.

To kick off the new year, we're hosting our first event of the season on Saturday, January 25th. Join us for our Rain-or-Shine event. This will be a 9-hole, 2-person scramble with Stableford scoring. The shotgun start will be at 12:00 PM, and we hope to see as many of you there as possible! You can register on Golf Genius by entering GGID: **PCRAINORSHINE**.

Thank you again for an unforgettable year. Here's to making 2025 even better!

KEEPER OF THE GREENS

As winter settles in, the turf has transitioned into its dormant phase, allowing the team to focus on several key projects. However, storm clean-up efforts have delayed our progress. Despite this, we are actively working on irrigation improvements, repairing bunker liners, and enhancing tee box stairs throughout the golf course.

We've also been adding new quick couplers to several tee boxes to support summer hand-watering. These couplers are essential for providing additional water to specific areas during the peak stress periods of mid-summer. This upgrade complements our existing infrastructure and will enhance playability and turf quality during extended heatwaves. Additionally, we've been raising irrigation heads to improve uniformity and water distribution across the course.

In December, we began edging the cart paths, tackling the 5.6 miles of paths that need cutting and cleaning. The team has also been repairing ragged bunker liners that have worn over time. This process involves pulling back the sand, removing the damaged liner, installing new patches, and replacing the sand to restore the bunkers.

We've also started pruning the undergrowth of trees along the cart paths and in the rough to improve playability and make shots from the rough less challenging. I'm extremely pleased with the team's progress on these projects so far.

Thank you!

RECREATION UPDATES

We hope you had a wonderful holiday season and are ready for an exciting year ahead at The Plateau Club. Here's what's happening this month:

Pool

Last year, the pool underwent several upgrades, including a new heater installation, leak repairs, and a motor replacement for the main pool. With winter upon us, we're thrilled to announce that The Plateau Club's main pool will stay open for weekend fun!

- **Open Swim:** Saturdays and Sundays from 12:00 PM to 4:00 PM.
- **Morning Lap Swim:** Continues weekly, except for Saturday mornings.
- **Weekend Lap Swim:** Available during open swim times.

The pool will stay cozy at a perfect 84 degrees all season long. To help maintain a clean and healthy pool environment, we kindly ask that all swimmers take a cleansing shower before entering the water. This helps remove oils and dirt, keeping the pool in great condition and reducing the potential for skin irritation from chlorine.
