A LETTER FROM GREG

The 'season' is here! I am so excited about the positive momentum we have built so far this year, and I am excited about what's to come.

Our seasonal hiring has gone really well so far, and I am encouraged by the number of people we have returning from last year. Familiar faces allow us to continue raising the bar for member service by building on the strong foundation laid in 2024.

In the summer months we will pull back a bit on our social programming as we have so much already on the calendar with PMGA, PWGA, Kid's Camps and your own packed family calendars. That said, we will continue to supply you plenty of reasons to visit the club!

Lately, I have been receiving many questions when it comes to billing and bill pay. So, it wouldn't hurt to go over the process here again.

Account Billing and Statements-

You can access your current statement and billing history by logging into the Chronogolf/Lightspeed app, the Oki Golf app, or through the Chronogolf website. Simply navigate to **House Account** or **Family Account**:

- Single members should refer to the **House Account** for accurate billing information.
- Couples and families will find complete account activity under the **Family Account**. Note that the House Account will show only charges made by the Primary Member.

Bill Pay Options-

Payments can be made one of three ways: physical personal check dropped off in the office, ACH auto-pay, or credit card auto-pay. As of this moment, there is no processing fee for auto-pay via a credit card; if this changes at any point, we will make certain all members are aware well in advance.

- To enroll in credit card auto-pay, enter your card details under **Payment Methods** in the app or website. Then, notify me or Cindy Riley so we can activate it.
- For ACH auto-pay, please contact Cindy directly with your bank account and routing number. She'll initiate a test deposit that must be verified to activate the account.

I'll be the first to admit, our current system isn't perfect. I continue to work closely with the Lightspeed team to make improvements, but in the meantime, we'll keep things running as smoothly as possible with the tools we have.

Thanks for your continued support, and here's to another great month at the Club. I look forward to seeing you around soon!

GOLF

WORDS FROM THE SHOP

Summer has officially arrived, and we're thrilled to welcome the season with sunny days, great golf, and a lineup of fun events. The buzz around the club is growing, and we're excited to keep the momentum going with plenty of opportunities to enjoy the game and connect with fellow members.

Welcome, Albert Ro!

We're proud to officially introduce Albert Ro as our new Assistant Golf Professional. Albert joined the Plateau Club last season and has already proven to be a tremendous asset to our operation. With a strong background in hospitality and leadership, Albert previously served as the Head Sushi Chef at Ascend before transitioning into the golf industry.

He spent three years at Puetz Golf honing his knowledge of the game and the golf business. Now, as he works toward his Class A PGA membership, Albert will be focused on helping elevate our service levels and supporting our team with his strong management skills. We're excited to have him onboard in this new role—please join us in congratulating him when you see him around the club!

Demo Day Recap

A huge thank you to everyone who came out for our TaylorMade, Callaway, XXIO, and Motocaddy Demo Day! It was a great way to kick off the season—trying out the latest gear, talking with brand reps, and dialing in equipment for summer play. If you missed it, stay tuned for more demo opportunities throughout the season.

Couples Wine & Nine

Our Couples Wine & Nine event was a huge hit! Perfect weather, a fun format, and fantastic camaraderie made for a memorable evening on the course. We loved seeing so many of you enjoying golf and good company—we're already planning more of these events, so keep an eye on the calendar!

Looking Ahead

June is shaping up to be a big month at the Plateau Club. Here's a preview of what's coming up:

- SWGA Invitational & PWGA Events
- PGA Jr. League Matches & Junior Camps
- PMGA Member-Member Tournament

As always, we appreciate your continued support of the golf shop and your participation in our events. Here's to a fantastic summer full of birdies, good times, and lasting memories.

See you on the course!

KEEPER OF THE GREENS

I'd like to take a moment to recognize and congratulate our longtime Golf Course Superintendent, Jon Frederick, who has accepted the Superintendent position at Fairwood Country Club beginning this month. Jon has been an incredible asset to The Plateau Club, his dedication to the course and leadership of the turf team consistently resulted in outstanding playing conditions. He leaves behind some very big shoes to fill, and he will be greatly missed by both staff and members alike.

We are actively recruiting to find the right candidate to step into this important role, and I'll continue to keep the membership informed as we move through the search process. In the meantime, our First Assistant Thomas Wallick will be leading the Turf Department, ensuring that course conditions remain at the high standard.

Please join me in wishing Jon all the best in his new role, and in supporting Thomas and the rest of our team during this transition.

SOCIAL & DINING

A top-down view of a gourmet dish served in a dark, speckled ceramic bowl. The dish consists of a base of brown rice, topped with a seared salmon fillet. A vibrant mango salsa, made of diced yellow mango, red bell pepper, and white onion, is piled over the salmon. The entire dish is garnished with fresh microgreens and thin slices of white radish. The text "SOCIAL & DINING" is overlaid in a white, serif font across the center of the image.
