A LETTER FROM DAVID UCHIDA

Dear Plateau Club Members,

Please join us in welcoming Robby Dryden as the club's new General Manager! Robby and his family will be joining us the week of July 13th as they relocate from Oklahoma.

Robby brings over 13 years of leadership experience at a variety of distinguished properties. His previous roles include Director of Operations at Southern Hills Hospitality, Director of Food & Beverage at Silverhorn Golf Club, and his most recent role as Club House Manager at Gozzer Ranch Golf & Lake Club.

Robby's passion for delivering exceptional member experiences, developing relationships, and building high-performing teams makes him a great fit for The Plateau Club. We are excited to welcome him and are confident he will complement the strong foundation already in place.

We look forward to him joining our team!

KEEPER OF THE GREENS

Let me begin the summer season by introducing myself to those of you that I have not yet had the pleasure of meeting. I took over as Head Superintendent as of June 1st after being Jon's assistant here at the Plateau Club since 2020. Before that I had previously been his assistant at Washington National and in total we had spent the previous 10 years working together before his departure.

I look forward to meeting and getting to know more of you as my time here progresses, as well as hearing from each of you where you would like to see the course grow. I am excited for the opportunity to make your course one that you will be proud of, and that you and your guests will enjoy for many more years to come.
