A LETTER FROM DAVID UCHIDA

Dear Plateau Club Members,

Summer is in full swing, and it's been wonderful to see so many of you enjoying all the club has to offer! July was packed with activity—summer camps, junior golf camps, and the Penguins wrapping up another fantastic season. The PWGA Ladies Invitational was a great success, and we had some memorable evenings in the clubhouse with Jackpot Night (congrats to our winner, Stephanie Mudgett!) and live entertainment.

August promises even more fun for the whole family! From ongoing summer camps and Friday Night Live on the 15th to the PMGA's second major of the season—the Member/Guest tournament—there's something for everyone to enjoy.

We're also excited to share that the fitness room at the Rec Center has been updated with new equipment to help enhance your workout experience.

Mark your calendars and come join us—we can't wait to see you around the club soon and often!

Warm regards,

David Uchida
Director of Operations, Oki Golf

GOLF

WORDS FROM THE SHOP

As we wrap up an incredible July at The Plateau Club, I want to take a moment to thank all of you for your continued support. This month holds extra meaning for me personally—it marks *one full year* since I joined the team here. Time has truly flown by, and I'm so grateful to be part of this community.

July was full of energy and memorable events. The PWGA *Caddyshack Classic Ladies' Invitational* brought out the fun with a fantastic turnout, exciting side games, and some great competition. Our PWGA members had a strong showing, taking home 3 of the 4 overall flight titles. Congratulations to Janet Benson & Chris Hughes, Erin Bradford & Faith Fry, and Alissa Pires & Stephanie Burger for their outstanding play!

On the men's side, the PMGA *Ryder Cup* delivered thrilling competition, with Team Europe narrowly edging out Team USA by a *single point*.

Looking ahead, August brings more marquee events to the calendar, including the always-anticipated PMGA *Member-Guest* and the PWGA *Member-Member*. We're excited for another month of competitive and social golf.

A quick reminder: the golf course will be closed every Monday in August for outside events. While these limit play at home, it's a perfect time to use your Oki Golf Reciprocal benefits and explore other beautiful properties. If you're not signed up for the program yet, let us know—we'd be happy to get you set up.

We'll also be taking advantage of the Monday closures to complete necessary maintenance on the driving range, including our weekly clean pick and mow. This means we no longer need to shut the range down one evening per week.

Lastly, don't miss our upcoming fitting opportunities:

Titleist Fitting Day – August 14

TaylorMade Fitting Day – August 15

Thanks again for making July such a great month. We look forward to seeing you around the club as we head into another exciting stretch of golf season!

KEEPER OF THE GREENS

Happy July everybody! I hope everyone had themselves a great 4th and are enjoying the beautiful summer we've been having so far. It's been a challenge keeping the course in shape as we're on track for having one of the warmest and driest summers we've had in a number of years. For the month of June the average high and low temps were 4 degrees higher than last year, and we only received 0.70" of rainfall compared with 2.54" in 2024. So far for the month of July, that trend seems to be continuing.

With the summer, comes an increase in the amount of play and traffic our course receives. While the turf is battling the stress caused by the excessive heat and sun, we can help by not causing any excess stress factors by being conscious of where we are driving our carts. Entering the fairway where the yellow stakes are located and exiting in the area of the blue stakes will help disperse entry and exit traffic as my team and I rotate their locations as needed. Avoiding driving through areas with visual signs of heat and drought stress, whenever possible, will prevent injury to the plant and allow a faster healing process as my team and I use our hoses to provide the additional water these localized dry spots require.

I truly enjoy seeing so many of you out here playing and enjoying this course and will continue to do my best to provide you with the standards that you all deserve. Here's to more great golf and more great weather!
